League Coordinator: Steve Corrigan Tel 01904 766695 or email corrigan-s@sky.com

If you change BOF Age Class at the turn of the year and it means you would change YHOA Night League Age Group, you do not move but stay in the YHOA Age Group you started in, until that season has finished.

Organisers, Planners, & Controllers of events will get a score for the event they officiate at. It will be an average of the points they scored at the other events they ran.

This year, **SYO event (Canklow Woods) is the Northern Night Champs**. It will be included in the YHOA Night League because the Planner has agreed to set courses that Group the same way as the YHOA Night League. ENTER THE COURSE FOR YOUR BOF AGE GROUP to score YHOA league points. The highest points score in each Age Group will be 100 apart from Super Veteran Women which will be 90.
